Welcome to Calgary Sings!

Calgary Sings! - and tonight we're going to prove it! On behalf of the Adult Recreational Choir Society of Calgary (ARCS) and Up2Something, we extend a special welcome to all the participating choirs who have helped make this inaugural event possible. Calgary is a city in which choral music might be considered a phenomenon! As evidence, we're pleased to report that finding choirs willing to participate was the simplest of tasks.

Up2Something, the principal choir of the Adult Recreational Choir Society of Calgary (ARCS), has endeavored to provide opportunities for adults to enrich their lives and our community through choral music. Calgary Sings! was born as an extension of our vision and as an opportunity to celebrate Calgary's thriving adult choral community. Calgary Sings! affords us a unique opportunity to sing for one another, to share our love of music and to connect with others in our "own backyard". Calgary Sings! also marks Alberta's Centennial - and what more fitting way to celebrate this milestone than in song!

We're thrilled as well that Calgary Sings! will bring music to those in Carewest's Continuing Care facilities. Music is indeed strong medicine - and we prescribe a healthy dose of it each and every day. What a wonderful legacy for this evening's concert: to know that music will help ease someone's pain, help an Alzheimer's patient recall a long-forgotten memory or simply bring a smile to a loved one's face.

Calgary Sings! You bet it does!

Brian Bowman, Artistic Director
Lynn Burrowes, Business Manager

Alas for those that never sing,
but die with all their music in them!
