

Come Volunteer With Us!

Over the 2008-09 season, ARCS volunteers contributed an estimated 2,500 hours of time to helping make this fine organization run. The Adult Recreational Choir Society is a registered not for profit organization. In order to operate our regular programs and events we require the assistance of many volunteers throughout the year. Dedicated volunteers are involved with our organization in the delivery of each and every activity that is happening.

Below is a list of some of the areas that require assistance in the upcoming year. The rewards of volunteering are many – and the value of your time and talents to the ongoing success of ARCS is HUGE!
