

## 2017-18 Season Something Lite

**Something Lite** offers a “light” version of the popular ARCS program for men and women seeking a recreational choir with an optional performance component. This non-auditioned SAB choir runs for three semesters and will offer those with and without choral experience or the ability to read music a place where they can enjoy the camaraderie of others with similar interests. This abbreviated but fast-paced program features eclectic repertoire taught in a fun and friendly atmosphere.

### Performances

Based on member feedback, a select number of optional and informal performances may occur during the season. Volunteer opportunities with other ARCS productions such as the *ARCS Annual Talent Show*, *Something Christmas* and the Year End Production will be offered on an optional basis.

### Registration Information

Something Lite is a non-auditioned choir, however basic musical aptitude (an ability to match pitch) and a reasonable commitment to attend rehearsals regularly is expected.

### Membership Fees

ARCS relies on fees, grants, donations, sponsorship and ticket sales to operate. Included in your fee is an amount for music and learning materials valued at approximately \$50. Remaining fees pay for the staff and operating expenses, including rehearsal space rental.

For the 2017-18 season, fees have been set at \$190/semester (September – December; February – May), and \$160 for the summer session (June – August). Registration is done online via ARCS’ website.

### Privacy Policy

The Adult Recreational Choir Society of Calgary (ARCS) collects information from its members for registration purposes only. The information is used to compile a listing of choir members, phone numbers, addresses and email addresses to be used by ARCS staff and key volunteers. Member's names are published in printed programs as well. Registration is express agreement to allow images and recordings of individuals and groups (as sanctioned by ARCS) to be broadcast on such media (as sanctioned by ARCS), for the promotion of ARCS.

### Waitlist Process

Prospective members are allowed to "tire kick" a maximum of twice before being required to register in order to continue, providing there is still space in the choir. Should we reach capacity in a choir, registration for that choir will be closed. All inquiries for that choir thereafter (be they alumni or new member) will be put on a Waitlist kept by the Program & Communications Coordinator (PCC). ARCS will notify the PCC of any openings in the choirs as they arise. The PCC will then notify the next person on the Waitlist to determine if they are still interested and proceed with registration as appropriate.
